## Things are Growing in Kenya

Pastor Roy Stover recently provided us with some photo updates of the happenings at Elma Barnett Children's Centre in Kamonong, Kenya. We hope you enjoy this glimpse into their daily life.

---

The crop is in! Here's Philip, the EBCCK farm manager, with the maize harvest for this year.

The Elma Barnett Children's Centre is growing too. Construction on the staff housing unit is progressing. The addition of this residence for teachers will allow Elma Kamonong High School to better recruit and retain high quality educators.

Walindwa thanks all of you for the donations and prayers that sustain this loving community of our brothers and sisters in Kenya.
